**IF THE SMOKE ALARM SOUNDS...**  
escape routes in advance and know at least 2 ways out of each room, especially bedrooms. Specify a safe meeting place outside your home so that you know whether everyone is out. Practice your escape plan at least twice a year and practice these two survival techniques:  
**CRAWL UNDER SMOKE**  
must escape through the smoke, get down on your hands and knees and crawl under the smoke to the nearest safe exit. Smoke rises, so cleaner air is near the floor.  
**STOP, DROP & ROLL**  
If your clothes catch fire, don't run. Stop where you are, drop to the ground, cover your face with your hands, and roll over to smother the flames.
